
Work related expenses - ELS Schedule (W)

D1 Work related car expenses

Explanation and Justification for Work purposes

Explain why the car or cars were used for work purposes. If a claim is being made using the 12% of original value cost or one-third of actual expenses method, explain how the estimate that business kilometres exceeded 5000 was made. If a claim was made using the cents per kilometre method, explain how the estimate of business kilometres was made.
