

# MYOB Essentials for accounting advisors

If you've signed up for MYOB Essentials as an accounting advisor, you can work directly with your clients' businesses in MYOB Essentials.

When you first log in to MYOB Essentials as an accounting advisor, you'll see the **Partner Dashboard**.

The screenshot shows the MYOB Essentials Partner Dashboard. At the top left is the 'myob' logo. The navigation bar includes 'Dashboard' (underlined), 'My profile', and 'Users'. On the right, there are links for 'My businesses', a help icon, and 'Logout'. The main heading is 'Partner Dashboard' with a green 'Create a business' button. A search bar is located on the right. Below is a table with columns: Name, Bank feeds, GST status, Status, and Bureau. Two rows are visible: 'ABC' (Not registered, Not registered, Cancelled) and 'Brian's Hats' (Not registered, Not registered, Active). Each row has a close icon on the right.

Name	Bank feeds	GST status	Status	Bureau
ABC	Not registered	Not registered	Cancelled	
Brian's Hats	Not registered	Not registered	Active	

The **Partner Dashboard** lists the MYOB Essentials businesses you're managing, along with some key details about each business. For more information, see [The Partner Dashboard](#).

The other menu bar options are:

- **My profile**—click to view and edit your practice's business details in MYOB Essentials, such as your business name and address. For more information, see [Business details](#).
- **Users**—click to view and set up members of your practice as MYOB Essentials users. For more information, see [Users](#).
