

Print or email pay slips

AccountRight Plus and Premier, Australia only

The **Pay Slip Delivery** field in an employee's card determines if their pay slips will be emailed, printed or both (**Card File > Cards List > Employee tab > open the employee's card > Payroll Details tab**).

You can also change this during the pay run, if you like.

The screenshot shows the 'AR Card Information' window for employee JONES, MARY (EMP00001). The 'Payroll Details' tab is active. The 'Pay Slip Delivery' field is highlighted with a red circle and set to 'To be Emailed'. Other fields include Date of Birth (01/01/1976), Calculated Age (42), Gender (Female), Start Date (01/05/2011), Termination Date, Employment Basis (Individual), Employment Category (Permanent), Employment Status (Full Time), Employment Classification, and Pay Slip Email (Jones@aol.com).

Field	Value

If you change the **Pay Slip Delivery** in the employee card, click **OK** to save your changes and close the employee card before starting a pay run.

You can print or email pay slips when processing your payroll, or at any time afterwards. We cover both scenarios below.

Before you start, make sure AccountRight is set up to send emails. Also, if you want to change the appearance of your pay slips, see Personalising pay slips.
