

# Refreshing the System Services links in AO

Article ID: 33679

ARTICLE LAST UPDATED: 1/03/2015 2:03:00 AM

In MYOB Accountants Office (AO) Tax you may be required to refresh the **System Services** links.

- If the estimate is not generated when pressing F4 in a tax return
- If the worksheet is not opening when clicking on a label.

The following instructions will step you through this process:

To refresh System Services links for current year

To refresh System Services links for prior years
