

# MYOB BankLink Practice and ledger integration

Want to keep using BankLink Practice after migrating to MYOB Ledger from a MAS, Accounts or AO GL ledger?

No problem! Just follow these steps to integrate BankLink Practice with your ledger.

If you want to integrate with Accounts or AO GL, make sure you've got the latest version of BankLink. Contact MYOB support for more information.

| Step | Description   |
|------|---|
| 1.   | <b>Migrating</b> MAS, Accounts or AO GL ledger to MYOB ledger |
| 2.   | <b>Linking</b> BankLink Practice ledger to MYOB Ledger        |
| 3.   | <b>Extracting</b> data from BankLink Practice                 |
