

# Navigating in Tax

MYOB Tax provides processes to manage your tax data including:

- [Shortcuts and Icons for Returns and Schedules](#)
- Shortcuts in the [Navigation Panels for the Tax Return](#)
- When a return or form is open there are main and right-click menu selections.
- Without first opening a return or form you can access a procedure in Tax:
  - by selecting Maintenance Map > **Administration**, refer to [Tax Menus](#), or
  - by selecting shortcuts in the TASKS bar, refer to [Tax button](#)
  - (Series 6 & 8) from **Contacts** by selecting Tools > **AE Tax Settings**, refer to [Tax Menus](#).
- (AE/Series 6 & 8) [What-if Calculator](#)
- (AE) [System Information](#)
- Due to the changing requirements of hardware and operating systems, check the [system requirements](#) before installing a new release.
- [How to Log a Support Call via the MYOB Website](#)
